AMENDMENT

Dear Sir:

In response to the Non-Final Office Action mailed November 15, 2002 (Paper No. 10), please amend the above-identified application as follows and consider the following remarks.

In the Claims:

Please amend claims 1, 6, 7, 8, 11, 12, 23, 31, and 32 as follows. A marked up copy of the claims is attached.

B<sup>1</sup> 1. (Amended) A method of treating obesity comprising administering to an obese subject an amount of a PYY or a PYY agonist effective to reduce caloric efficiency.

6. (Amended) The method of claim 1 wherein about 300 µg to about 1 mg of the PYY or PYY agonist is administered per day in single or divided doses.

B<sup>2</sup> 7. (Amended) The method of claim 1 wherein a dose of the PYY or PYY agonist sufficient to achieve a peak plasma level equivalent to that achieved by a continuous infusion of PYY or PYY agonist of about 300 µg/kg/day to about 1000 µg/kg/day is administered.

8. (Amended) A method of reducing food intake comprising administering to an amount of a PYY or a PYY agonist effective to reduce caloric efficiency.

B<sup>3</sup> 11. (Amended) The method of claim 8 wherein about 300 µg to about 1 mg of the PYY or PYY agonist is administered per day in single or divided doses.
